

## ***Rachel Elizabeth Weissler Piloting (twice through) for Tamarae's Dissertation***

### Norming DAMP:

- 1) I wasn't given any practice sentences (both times), it went immediately to:

You have reached the end of the practice sentences!

Click "Continue" to proceed with the experiment.

Continue

- 2) You say "Place Right Hand On Space Bar" but we don't ever do anything with the space bar, so why do you have that instruction?
- 3) Two "Reading Acceptability" download options came up...? I downloaded both twice, but wanted to bring that to your attn

### Norming SPR:

- 1) Your instructions for practice and regular experiment say "You'll be reading sentences at your own pace. Once you've read the **word**, press space bar as quickly as possible" do you mean **sentence**?
- 2) quicker/quickx cook some dinner showed up 3 times in practice round
- 3) the practice doesn't mirror the experiment, the practice had me reading whole sentences while the experiment has word by word self pacing
- 4) Just like before, two options come up for download. I did both:
